

## John Green is having a birthday... we're turning 10 years old!

In celebration of John Green Elementary's 10th Anniversary Celebration on Saturday, April 14, 2018 from 1-4pm, show your gator pride by coloring and decorating this gator cutout. Your child will be able to place it on a wall banner found in the front office foyer weeks leading up to our big celebration. Your child can also choose to bring their completed gator and place it on the wall banner the day of the celebration. The banner will be located in John Green's multipurpose room (MPR). This will showcase an eye catching display of John Green Elementary's family-like community, bountiful diversity and our

children's talented excellence. To participate, please have your child:

1. Color the gator in their personal style. Be creative! Showcase your individuality.
2. Cut out the gator and have your child write his/her name, grade, and teacher's name on the back.
3. Your child can place their gator on the wall banner prior to the celebration or bring it with him/her to place on the banner the day of the 10th Anniversary celebration.
