

School Supply Drive

For the upcoming 2018-19 school year, the PFC will again bulk order school supplies for the classrooms and is asking for a \$30 donation for each student.

Some of you may be curious and questioning why are we running the School Supply Drive so early this year? After speaking with the teachers and staff, we concluded that it would be helpful and beneficial to put in the order early. We are hoping to get the supplies in by May and have it organized before the end of this school year. We need your help in order to make this happen. If you can please make your donation before April 23rd; it would be greatly appreciated. Of course any donation after April 23rd will also be accepted.

There are many advantages to this which benefit both the teachers and students including having all supplies sorted and available for students to use on the first day of school and also saving money and time for our families.

Last year we were able to raise \$18,000. Thanks so much for your contributions. This year we are hoping to raise \$30,000. Please help us meet our goal for the 2018-19 school year.

NOTE: In addition to the PFC bulk ordered supplies, teachers may still request families to provide specific items for their classrooms such as headphones, pencil boxes, and other items for special projects.

You can make your donation two ways:

1. Pay by CC online :
<https://www.memberplanet.com/s/johngreenpfc/schoolsupplydonation>
2. Send an envelope to the office labeled "School Supplies" with cash or check made out to "John Green PFC"
