John Green PFC

Just one hour per
parent can make a
huge impact for
our kids!

KIDS FIRST. EVERY CHILD. EVERY DAY.

Who is the PFC?

PARENT FACULTY CLUB

The John Green Parent Faculty Club consists of a group of parents who have children enrolled at John Green Elementary (parents who have volunteered or are formally elected to the PFC board) and faculty representatives, typically the principal and teachers.

These two groups work together to supplement our children's education by supporting programs that the district does not fund or providing special teaching materials to teachers as needed.

We deeply appreciate your dedication to your children and our school. Your commitment helps to give our children the best possible education. We look forward to seeing you at our future events!

There is no "I" in Team, but we sure are glad there is "u" in our volunteers!

EDUCATIONAL PROGRAMS

The PFC allocated over 85% of this year's budget exclusively for educational programs such as Art In Action, Character Education, Classroom Funding, Field Trips, Grade-Level Grants and Science Programs.

COMMUNITY BUILDING

The PFC organizes and/or funds fun, community building activities such as Donuts with Dad, Muffins with Mom, Fall Festival, Multicultural Night, Talent Show and Yearbook.

FUNDRAISING

Fall Check-in and Gator Gallop are our major fund raising events and involves all our students. The PFC also raises funds through other sources such as Community Business Sponsors, Company Matching Programs, Eco Program recycling, eScrip, Box Tops, AmazonSmile, Target and Jamba Juice events.

VOLUNTEER-DRIVEN

The biggest contribution comes not just from your monetary donation, but also from the contribution of your time. Whether it is volunteering in the classroom or helping to organize and run these programs and events, the success of our school comes from the commitment, involvement and dedication of parents like you. We are relying on you to continue this successful tradition with the commitment to volunteer. No amount of time is too small.

“At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents.”
- Jane D. Hull
