

# Cooperation

## Cooperation Overview

### Main tool taught:

- "We are stronger together"- since everyone is important, and everyone has their own ideas of how to do things, we need to learn how to work together.

### Lower grades (K-2) will learn:

- Everyone is important and has good ideas
- We work better as a team
- When we cooperate and put our ideas together we can build the school of our dreams

### Upper grades (3-6) will learn:

- The above, plus...
- How to recognize different gifts in the people around us
- It is a good thing that people are different, because it makes us stronger together
- To check their assumptions about others
