

## Math Kangaroo

Math Kangaroo is an international math competition that takes place at the same time across the United States and internationally. All students from grades 1st-12th grade are invited to participate. Participants will receive a t-shirt, diploma, and special memento after they take the test. Top winners from each grade level will also receive special prizes. Math Kangaroo's vision is to encourage students to learn mathematics by presenting them with problems that are interesting and by rewarding them for their efforts. Learn more about Math

Kangaroo: <http://www.mathkangaroo.us/mk/history.html>
