### **BACK TO SCHOOL Night**

Hope you were all able to meet your child's teacher and have any questions answered. Our teachers need additional assistance in the classroom so please consider volunteering. Specific details will come from your teacher, but ways that you can get active are: being a room parent, volunteering for Junior Achievement, or Project Cornerstore, assisting with classroom events/ field trips, or grading papers, etc. With your help, it will give our beloved teachers the opportunity to spend more time with the students in class.
