Winter Wonderland Store 12/9 Monday- 12/13 Friday

All students will have the opportunity to shop for holiday gifts for their family and friends during the week of 12/9-12/13. The cost of the items will vary from \$0.25 to \$15. Each classroom will have an assigned time to visit the "WinterStore" during that week. Flyers with additional information will be sent home in the next few weeks. Teachers will let the students and parents know exactly which day their class will be visiting the store. The WinterStore is set up on campus in one of our classrooms. Students can bring cash, checks, or parents can prepay an account for them.

We will need parent volunteers to help run the WinterStore!

Escape the office for a couple of hours and help spread some winter magic! ❄️ Volunteer for our Winter Wonderland event and guide our little shoppers to find gifts for friends and family. [Sign up](#) now – you know you want to!

What does an event lead do?

They help coordinate the event with the vendor, reaching out for information on the event, and details on the event. They will create any flyers and sign up forms for the event and communicate with the school to coordinate any logistics.
