AROUND OUR COMMUNITY:

Project Noether *Encouraging Girls in Math on September 13, 2025 2pm-2:45pm*

<https://projectnoether.org/> | Instagram: @project_noether

We are Project Noether, a student-run organization dedicated to encouraging girls in math, and we are proud to announce a new math contest! We believe that this contest will help girls develop an interest in math, boost their confidence levels, and help them train important skills like pattern recognition, logical thinking and number sense in a fun and engaging way. If you are interested in participating, sign up at <https://forms.gle/qf7S66txnZr7pyE27>

There will be prizes for 16 people total - the top 4 contestants, as well as the top three students in each grade category not in the top 4 (8th grade, 7th grade, 6th grade, 5th grade and below)! Prizes will be monetary, with potentially some physical items and other surprises as well.

We hope this competition will encourage more young girls to be interested in math! For more information, you can visit our website at projectnoether.org or email us at projectnoether@gmail.com

- When: September 13, 2025 from 2:00-2:45 PM
- Optional activities from 2:45-3:45 PM
- Awards ceremony: 3:45-4:00 PM
- The awards will also be sent out afterward and posted on the website for people who cannot stay for awards). Any girl in grades 5-8 is welcome to join (any girl below 5th grade is also welcome to attend).
