2025 Golden Sneaker Contest: March 3-14, 2025

Lace up those shoes and dust off those wheels, the [2025 Golden Sneaker Contest](#) is coming to John Green!

From March 3rd to March 14th, students in participating classrooms will work together to use active and shared transportation options to get to school, such as:

- Walking
- Biking
- Rolling in a wheelchair or mobility device
- Skateboarding, using a scooter, or any other human-powered wheels
- Carpooling with another household

The Golden Sneaker Contest is an opportunity for our students to be physically active, build camaraderie, and reduce traffic congestion and pollution in our school community. Parents and guardians are encouraged to join their children for the fun, even though only student activities are counted in the contest. To kick off the contest, on Monday, March 3, we will have several "walking school buses" following the routes on the flyer -- if you live near these neighborhoods, feel free to join in along the way! Students will track their activity each day with their teacher, reporting if they did or did not participate in any active or shared transportation options. The classroom with the highest percentage of participation in these activities will win a pair of golden shoelaces for each student and keep the Golden Sneaker trophy in the classroom for the next year!

The Golden Sneaker Contest is an event organized by Alameda County's Safe Routes to Schools Program, which is sponsored by the Alameda County Transportation Commission. For more information about the Alameda County Safe Routes to Schools Program, visit alamedacountysr2s.org. Good luck!
