Dear John Green Families,

On behalf of the Parent Faculty Club, we want to extend our heartfelt thanks for your generous donations. With your support, we can continue to bring programs and resources that enrich our students' learning.

The PFC supports our students' experiences by assisting faculty with classroom supplies, field trip costs, grade-level projects, and organizing community events at our school. We strive to strengthen the relationship between families and the school by promoting communication and connection among parents, faculty, and our wider community.

Because of your giving, last year the PFC was able to contribute:

- Minder Binders for Students – \$1,615
- Field Trip Grants (K–5th) – \$6,000 total
- Faculty Stipends (Teachers, Librarian, and Principal) – \$12,650
- Student Council T-Shirts – \$500
- 2nd Grade Mother's Day Project – \$1,200
- 5th Grade Promotion Contribution – \$1,000
- 4th Grade Walk Through California – \$1,875
- 5th Grade American Revolution – \$2,050

In addition, your support made possible community events such as Room Parent Orientation, Fall Festival & Trunk or Treat, Movie Night, Pastries with Parents, the Crayon Initiative, Staff Appreciation Week, and more!

✨ As a special thank-you, tiered gifts will be coming soon — our way of recognizing the big difference you've made.

With gratitude,
Your John Green PFC Board

AROUND OUR COMMUNITY:

Project Noether *Encouraging Girls in Math on September 13, 2025 2pm-2:45pm*

<https://projectnoether.org/> | Instagram: @project_noether

We are Project Noether, a student-run organization dedicated to encouraging girls in math, and we are proud to announce a new math contest! We believe that this contest will help girls develop an interest in math, boost their confidence levels, and help them train important skills like pattern recognition, logical thinking and number sense in a fun and engaging way. If you are interested in participating, sign up at <https://forms.gle/qf7S66txnZr7pyE27>

There will be prizes for 16 people total - the top 4 contestants, as well as the top three students in each grade category not in the top 4 (8th grade, 7th grade, 6th grade, 5th grade and below)! Prizes will be monetary, with potentially some physical items and other surprises as well.

We hope this competition will encourage more young girls to be interested in math! For more information, you can visit our website at projectnoether.org or email us at projectnoether@gmail.com

- When: September 13, 2025 from 2:00-2:45 PM
- Optional activities from 2:45-3:45 PM
- Awards ceremony: 3:45-4:00 PM
- The awards will also be sent out afterward and posted on the website for people who cannot stay for awards). Any girl in grades 5-8 is welcome to join (any girl below 5th grade is also welcome to attend).
